

# Stakeholder Mapping

# Who are the key individuals, groups or organisations?

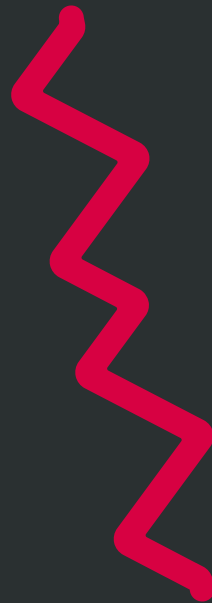

# How are they impacted by the situation?

# How do we need to communicate?

| <b>Key individual, group or organisation</b> | <b>Key contact info</b> | <b>What is important to them?</b> | <b>How could they be impacted?</b> | <b>How could they impact your organisation</b> | <b>Score: High/Medium/Low</b> | <b>Key notes/Strategy</b> |
|--|-------------------------|-----------------------------------|------------------------------------|--|-------------------------------|---------------------------|
| Example                                      |                         |                                   |                                    |  |                               |                           |
|  |                         |                                   |                                    |  |                               |                           |
|  |                         |                                   |                                    |  |                               |                           |
|  |                         |                                   |                                    |  |                               |                           |
|  |                         |                                   |                                    |  |                               |                           |
|  |                         |                                   |                                    |  |                               |                           |
